APPLICATION

I. INTRODUCTION

A. Summary of Transaction

Mobilepro Corp. ("Mobilepro"), CloseCall America, Inc. ("CloseCall") and United Systems Access, Inc. ("USAI") (collectively, "Applicants"), through their undersigned counsel and pursuant to Section 214 of the Communications Act, as amended, 47 U.S.C. § 214, and Sections 63.04 of the Commission's Rules, 47 C.F.R. §§ 63.04, respectfully request Federal Communications Commission ("Commission") approval or such authority as may be necessary or required to enable the parties to consummate a transaction whereby USAI will acquire 100%

of the stock of CloseCall, a non-dominant carrier holding authority from the Commission to provide telecommunications services.

Although the proposed transaction will result in a change in the ultimate ownership of CloseCall, no transfer of certificates, assets or customers will occur as an immediate consequence of the proposed transaction. CloseCall will continue to provide service to its existing customers pursuant to their authorizations under the same rates, terms and conditions. Accordingly, this transaction will be transparent to the customers of CloseCall.

B. Request for Expedited Consideration

As set forth below, USAI has significant financial resources and substantial experience in owning and operating regulated telecommunications providers. As a result, the proposed transaction is structured to ensure that existing customers of CloseCall will continue to enjoy uninterrupted service, and immediately following the proposed transaction, customers of CloseCall will continue to receive services under the same rates, terms and conditions as those services are presently provided. In light of the substantial benefits that the Applicants expect from the proposed transaction, Applicants seek expedited approval to allow Applicants to complete the proposed transaction as soon as possible.

C. Request for Streamlined Processing

Applicants respectfully submit that this Application is eligible for streamlined processing pursuant to Section 63.03 of the Commission's Rules, 47 C.F.R. §§ 63.03. This Application is eligible for streamlined processing pursuant to Section 63.03(b)(2)(i) because, immediately following the transactions, (1) Applicants and their affiliates, as defined in Section 3(1) of the Communications Act ("Affiliates") combined will hold less than a ten percent (10%) share of the interstate, interexchange market; (2) Applicants and their Affiliates will provide local exchange

service only in areas served by dominant local exchange carriers (none of which is a party to the proposed transactions) and; (3) none of the Applicants or their Affiliates is dominant with respect to any service.

In support of this Application, Applicants provide the following information:

II. DESCRIPTION OF THE APPLICANTS

A. Mobilepro Corp. and CloseCall America, Inc.

Mobilepro is a Delaware corporation with offices located at 6701 Democracy Boulevard, Suite 300, Bethesda, Maryland 20817. Mobilepro is a widely-held publically-traded corporation that offers telecommunications services through four wholly-owned subsidiaries. Affinity Telecom, Inc. provides local and interexchange telecommunications services in Michigan and Ohio. American Fiber Network, Inc. provides resold and facilities-based local exchange service, resold and facilities-based long distance operator services, voicemail and other standard voice features, and DS1 services. CloseCall provides resold local and interexchange telecommunications services in Delaware, Florida, Illinois, Indiana, Kansas, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Texas, Vermont, Virginia, and Wisconsin. Davel Communications, Inc. provides payphone services in 45 states.

B. United Systems Access, Inc.

USAI is a privately held Delaware corporation with offices located at 5 Bragdon Lane, Suite 200, Kennebunk, Maine 04043. USAI, through its wholly-owned subsidiary United Systems Access Telecom, Inc., holds international Section 214 authority granted in File No. ITC-214-20010629-00353 (July 27, 2001).

III. DESCRIPTION OF THE TRANSACTION

On June 30, 2007, Mobilepro and USAI entered into an Agreement dated June 29, 2007 (the "Agreement") whereby USAI will acquire all of the outstanding capital stock of CloseCall. As a result, USAI will acquire direct control of CloseCall. Immediately following the consummation of the proposed transaction, CloseCall will continue to offer service with no change in the rates or terms and conditions of service. Further, CloseCall will continue to provide service to its customers under the same name. Therefore, the transfer of control of CloseCall will be seamless and transparent to customers.

IV. PUBLIC INTEREST STATEMENT

Applicants submit that the transaction described herein will serve the public interest. The proposed transaction will provide CloseCall access to USAI's substantial technical and management expertise and financial resources. These benefits are expected to strengthen the ability of CloseCall to expand its offerings and provide more advanced telecommunications services to a broader customer base. Applicants expect that the proposed acquisition will enable both CloseCall and USAI to strengthen their competitive positions to the benefit of consumers and the telecommunications marketplace.

Further, the transaction will be conducted in a manner that will be transparent to customers of CloseCall. The transfer of control of CloseCall will not result in a change of carrier for customers or any assignment of authorizations. Following consummation of the proposed transaction, CloseCall will continue to provide high-quality communications services to its customers without interruption and without immediate change in rates, terms or conditions.
